## Fire Door Safety Day Invitation

26th Sept 2018 at Holiday Inn London Elstree

In association with:

# FIRE DOOR

**SAFETY WEEK** 24 – 30 SEPTEMBER 2018

**Fire doors save lives and property**

**They are part of a building's passive fire protection system and are fundamental to most fire strategies for buildings**

**About 3 million new fire doors are bought and installed every year in the UK. But to save lives, fire doors must work correctly...**

**Visit [www.firedoorsafetyweek.co.uk](http://www.firedoorsafetyweek.co.uk) to learn more about safe installation and its importance**

Arnold Laver free CPD accredited fire door safety days are co-hosted with BWF-CERTIFIRE Scheme to discuss the growing concern of fire safety in UK buildings.
