

DROP SEALS FOR THE TOP OF THE DOOR

Many Planet drop seals are suitable for the top of doors.

The Planet silicone lip leaves no traces, but the last coating of paint on the ceiling in the zone of the seal must be smooth and non-abrasive.

It is highly recommended that the colour of the ceiling is not white (dust accumulation possible).

How to order:

Product code (+ no. of the desired seal) +
PLA900915 (Option for assembly at the top)

Suitable for

Planet TW
Planet US
Planet HS-plus
