INSTALLATION DETAIL

STEP 1

Remove the seal from the packaging and measure the door width to determine the seal length required. Cut length to suit door bottom.

STEP 2

Groove the door bottom 4mm wide x 6mm deep.

STEP 3

Push fit the LAS3005 product into the groove.

NOTE

Do not install this product to impede the opening or closing of the door. It is recommended to check the adjustment of the door seal periodically to insure the door assembly closes and latches properly, whether or not equipped with a closing device.
