

DOOR BOTTOM SEALS

LAS3012 si

MEDIUM DUTY

A multi-blade weather protective door bottom seal and threshold plate combination, consisting of the LAS3010 si door bottom seal and the LAS4016 threshold plate. Ideal for protecting your home from the elements. A decorative cover strip on the door bottom seal conceals fixings for an aesthetic finish.

LAS3012 si

SYSTEM SPECIFICATIONS

Performance

- ▶ Protects against smoke, sound, weather draught, light and insects.

Location

- ▶ Single swing doors.

Min/max gap size

- ▶ 26mm - 30mm.
