

Planet KG-SM Set Narrow

FACE-FIXED

48dB

A slimline, face-fixed automatic drop seal designed for glass, timber, metal, and PVC doors. Its ultra-narrow 11.5mm profile makes it ideal for minimalistic applications. Featuring a high-efficiency mechanism with a single-sided trigger, it enables parallel lowering and automatic compensation for sloping floors. Suitable for doors with a seal height of up to 16mm. Fixing tape allows for quick and easy installation on new and existing doors. An optional bevel lip is available for uneven floors, accommodating gaps of up to 20mm.

Planet KG-SM Set Narrow Drop Seal

Planet KG-SM Set Narrow

SYSTEM SPECIFICATIONS
